Social Studies Prepares Students For Modern Day Living

In conjunction with the Bicentennial celebration fifty-three N.C. students along with three sponsors departed in December via United Air Lines charter flight to New York City, Philadelphia, Washington D.C., Alexandria, Mt. Vernon, Williamsburg and Jamestown on an exciting eight day educational program. This unique Bicentennial Field Trip provided students and teachers an opportunity for cross-cultural contacts, personal involvement, and academic growth in the early history of our country. In eight fast and full days students were able to see a lot but not for long. In New York and Washington, four Broadway musical plays were part of the trip, with "Pippin" being the most outstanding play.

Informational Service Is Goal Of Guidance

The guidance office provides informational services to students, parents, and faculty. A counselor is assigned to each student and works on educational scheduling and planning in high school, as well as post-high school possibilities. Vocational guidance and assistance with personal and school problems are also available. Additionally, counselors work with teachers, parents, and various community agencies on behalf of the students.

Crafts-Newest Home Ec Offering

Variety in the Home Economics curriculum was expanded from the existing classes of foods, clothing, advanced clothing, marriage, nursing, furnishings, management, and child care to include two craft classes. In this new class, students learn such crafts as macrame, needlepoint crocheting, knitting, rug hooking, and making Dip and Drape dolls.

Another change included the enrollment of boys in the Home Economics program.

Distributive Education Headed By New Department Chairman

Distributive education is vocational in that the instruction is focused on the career objective of the student; it is instructional in that it provides a series of courses and experiences organized into curriculums suitable for varying levels of abilities and for varying needs. DECA (Distributive Education Clubs of America), on-the-job training (cooperative occupational experience), and project opportunity to apply their classroom teachings in real life situations.

The Distributive Education students have attended the following conferences:

Western District at Riverton, Wyoming

Western Regional at Seattle, Washington

Eastern District at Laramie, Wyoming

Employer-Employee Banquet Dinner at Casper, Wyoming

State Career Development Conference at Cheyenne, Wyoming

First place winners from this will go to: National Career Development Conference at Chicago, Illinois

Career Education New In English Curriculum

Many changes occurred in the English Department this past year. Mrs. Clark replaced Mrs. Izzarelli in teaching Western Literature and Introduction to Literature, and Mrs. Norris became the secretary for the Department. The major movies shown to the English students were **FAILSAFE**, and **PEARL**. Once again, a student from N.C. won the National Council of Teachers of English's highest award for excellence in Writing—Mike Fleming wrote his way to success. Career education was introduced in Practical English 11 and interested teachers visited K.W. to ascertain what materials were available for use in their respective classes. Mrs. Harris and Mr. Foster were instrumental in holding a most successful **KEY Day**. This year few changes have been made in the elective program.

International Thespians Present Awards

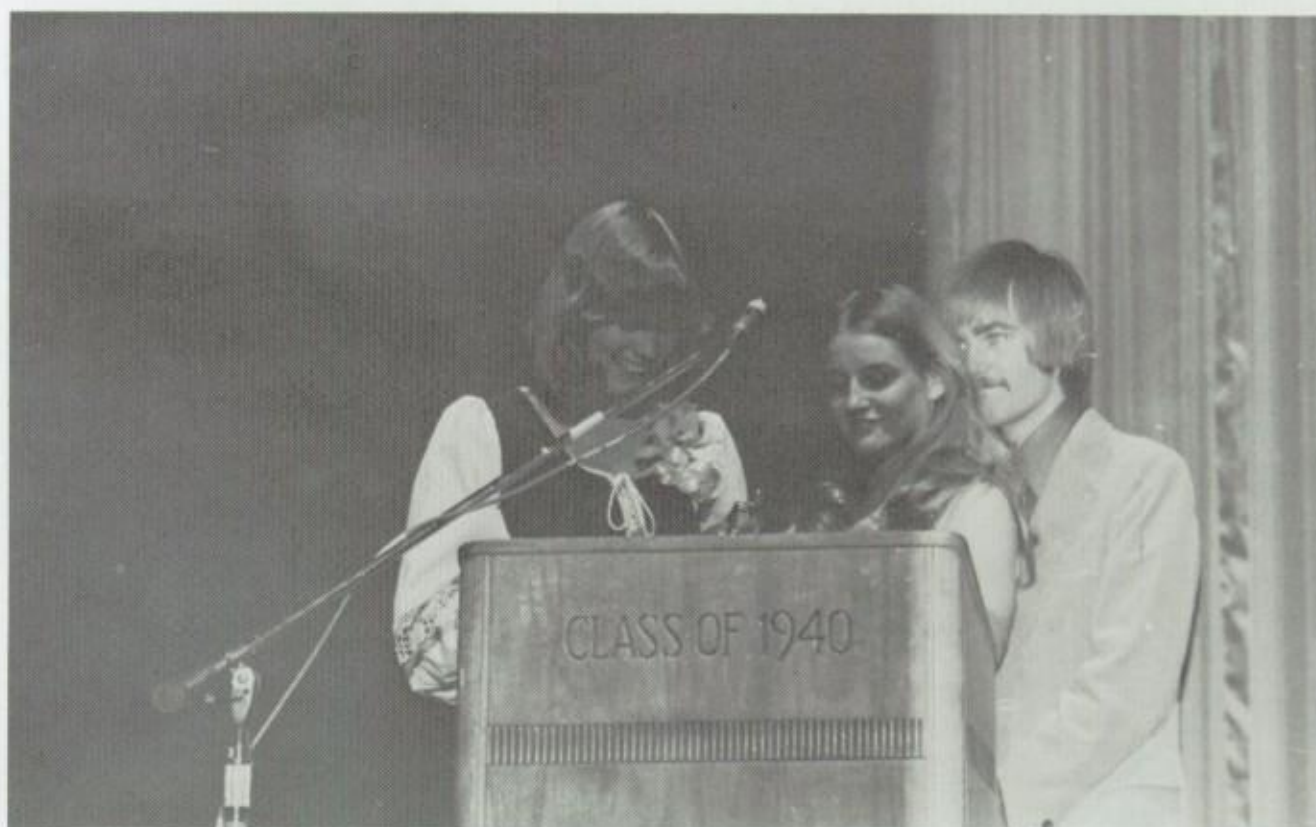

Troupe #1 of the International Thespians Society is an organization for the advancement and improvement of theatre arts in secondary schools. The national organization began in Casper, Wyoming on July 1, 1929, and is now international in membership with close to three thousand chapters.

The organization's only social event of the year is the annual Spotlight dinner which is held in May, at which time various acting and technical awards are presented and next season's officer are announced.

Membership in Troupe #1 is obtained through the students' working one hundred hours on two different productions. An average of one hundred members constitute the organizations annual rolls.

The spotlight fell on Mr. John Welsh who is presented the Kathleen Hemrey award for excellence in teaching by Pat Fallon and Robert Hansen.

Cindy Larcom, Karen Craig and Tim Griswold are pictured receiving and presenting awards at the Spotlight dinner.

The winter production of Robert E. McEnroe's comedy, **THE SILVER WHISTLE**, which played in the NCHS auditorium on February 26, 27, 28, 1976, proved to be a very popular show with Casper audiences. The story of the play concerned Oliver Erwenter, a romantically minded tramp, and his efforts to change the life style of a number of elderly persons residing in a church home for the aged. At the end of the play, when Erwenter returns to his life on the road, he passes out of the lives of the elderly people leaving each of them with a happy philosophy of life.

In addition to an experienced and exceptionally talented cast, under the direction of Mr. John F. Welsh, the production also featured a beautifully designed set depicting an inner courtyard of the home. The set was constructed under the direction of Mr. Jay Brecheisen who served as technical director for the production.

FFA Offers Three Basic Courses

1975-76 was an extremely active year for the 43 Vocational Agriculture students in Ag. I, II, III. The officers were more highly involved in the Future Farmers of America activities and completed their year by hosting the State FFA convention.

The three courses in Vocational Agriculture are progressive with Ag. I providing basic skill to start the student in the program. Ag. II is more specialized with concentration in crops and livestock. Ag. III involves Farm Management primarily and all three years include FFA and Agriculture Mechanics.

Pam Arthur, pictured at right, was chosen as the FFA "Sweetheart" for the 1976-77 year, and Marcia Foster was the 1975-76 sweetheart.

Sophomore Is All-State Champ

Coach Don Weishaar's golf team brought home medalist honors from the state tournament. The team took 6th in overall standings. One of the top golfers not only on the team but in state high school golf is Rob Bennett. (PICTURED UPPER LEFT) He is only a junior but has piled up some impressive wins. Some of his accomplishments in his sophomore year included first place finishes in the Casper and Gillette Invitationals, along with finishes in the top five at Sheridan (2nd), Douglas (3rd), Wheatland (4th), and Cheyenne (5th). In the fall of his junior year he took another third place finish in Douglas. He became the state individual champion after topping the field in the 1975 State High School Golf Tournament in September.

Swim Theme Is "Through The Years"

"Through the Years" was the theme title for the 1975 NC water ballet show, November 6-8.

"Moonlight Bar," "Redsails in the Sunset," "Stardust," "Moonlight Serenade," and Charleston were a few songs used by the water ballet show this year.

There were two weeks of working skills before tryouts in which 18 girls were chosen. Participating were: Pat Kammerer, Captain; Deb Dern, historian; Pat Wallace, Wendy Couture, Ann Kennedy, Mary Lavin, Tammy VanPelt, Sheri Wrasper, Tamar Kahn, Barb Fisher, co-captain; Denise Dehning, Brenda Wyatt, Cindy Davenport, Susie Binks, Jane Wood, Karen Harrington, and Connie Johnson.

Strokes used were back and front crawls, side and breast stroke.

The synchronized swimming group made its own costumes which were red, blue and white, and also took charge of all publicity and decoration for the water show.

Tennis Team Takes Fifth Consecutive State Title

The NCHS Tennis team won its fifth consecutive state title by defeating the favored Cheyenne Central team in the doubles and singles finals. Mark Livingston led the Mustangs to the title by capturing the singles title with a long and pressure-packed finals. Final scores for the 1975 State Tournament were NCHS with 26, Central with 16, Cheyenne East with 14, and on down the line with six other schools participating. The Tennis team concluded its season with an overall record of 7-3. They came in second place in the E.W.A.C.

The swimming team ended its regular season with a 7-6 record. They took third in E.W.A.C. and also finished the season by taking third place at the state meet held in Cody, Wyoming on February 27-28, 1976. In that meet John Masek stroked to two first place finishes to lead the Natrona boy's swim team to third place in the Wyoming Swimming and Diving Championships. Masek grabbed top honors in the 100 and 200-yard freestyle events, while Eric Fleming won the individual medley and placed third in the 100-yard butterfly.

Glen Westling was third in the 100 back-stroke and fifth in the 50 freestyle. Brian DeVault placed sixth in the 100 breast-stroke, and Sam Reber took sixth in the diving competition. The 400-yard intermediate relay team of Masek, Westling, Fleming, and DeVault earned a third.

Girls' Basketball

The NCHS Fillies successfully completed a historical season for girls' basketball. The season included the first regional tournament and the first state tournament for girls' basketball in Wyoming in thirty years. For the first time in girls' sports KATI did live broadcasts of the regional and state tournament games.

The Fillies' varsity team compiled a season record of 20-2, losing to Cheyenne East by two points and to Lander by one point. The team finished as runner-up in the East Regional Championship game and placed third in the State Tournament.

Jean Jensen and Terri Schneider were named to the All-Regional Team. Mavis Young and Terri Schneider were selected to the first All-State Team.

The junior varsity team finished the season with a 17-0 record. The leading scorers were Sue Sloan and Adele Price.

Mustang Basketballers Youngest In AA

The Mustangs, with the youngest team in class AA, ended the season with an impressive 16 wins and 8 losses which was the 3rd best record in the state. Behind all-district player Shane Tweedy and all-staters Angelo Hill and Richard Smith, the Mustangs were rated near the top all year.

In the regional tournament at Laramie they defeated Laramie and KW but were beaten by Cheyenne East for the championship.

Because of an upset in the West Regional Tournament, NC drew Rock Springs in the opening game at state. It was felt that the winner would eventually win the State Championship. Rock Springs won the hard-fought game by 6 points and went on to capture the title. With only three seniors graduating, the Mustangs in 1977 will again be strong contenders for the state crown.

Three State Titles In A Row

Girls' Track - 1976

Three State Titles In A Row

During the season the Fillies were first at the Gillette Invitational, first at the Casper Invitational, and first at the Lander Invitational. They went on to win the Class AA East Regional Track Meet while competing against six other schools. At the state meet they out-scored 14 other schools with 50 points to runner-up Kelly Walsh with 41 points. The following girls participated in the state meet: Rhonda Cochran, Sheryl Potter, Karen Sanford, Linda Brown, Kathy Farmer, Sue Sloan, Sallie Allen, Laurie Tucker, Vivian Cole, Suzy Veylupek, Pat Kammerer, Rose Wallace, Crue Romero, Terri Schneider, Mavis Young, Lonnie Lee, and Charlene Olson.

Karen Sanford turned in outstanding performances at the State Meet by winning the 880yd run and setting a new record in winning the mile run. Terri Schneider also set a new state record in the softball throw.

BACK ROW: Kathy Farmer, Rhonda Cochran, Laurie Tucker, Carol Powers, Roberta O'dell, Debbie Phinney, Rose Wallace, Sue Hughbanks, Andy Wolz, Coach Anderson. (FRONT ROW) Ann Houston, Terri Hool, Alice Houston, Janet Stevens, Peggy Rees, Nan Donlin, Sally Katherman, Liane, Campbell.

Fillies Take 2nd At State

With eight girls qualifying for state, the NC Fillies came from behind and took 2nd. Ten state records fell at state, with Alice Houston breaking two of the records, 50 yard freestyle 25.80 and 100 freestyle 56.41. Peggy Rees placed 1st in diving to only be defeated by one girl all season. The 200 medley relay team of: Terri Hool, Ann Houston, Peggy Rees, Liane Campbell placed third. 400 freestyle relay composed of Sally Katherman, Nan Donlin, Janet Stevens, Alice Houston took a 2nd place. Janet Stevens held 3rd places in the 200 yard freestyle and 100 yard butterfly; while Terri Hool had 3rd on 100 backstroke. It was one of the finest state meets held for the girls. The records that were set will probably hold for sometime. The Fillies finished their season with winning 7 dual meets losing 2 dual meets, placing 2nd in the Casper Relays, 3rd in the Cheyenne Invitational and tying Laramie in a dual meet 86-86. It was the first time in six years Laramie has been tied, they were beaten once three years ago. The Fillies placed 1st in the only triangular meet held this year.

Gymnastics Perform With Grace And Agility

The boys team took a close second following the Sheridan team. Where as the girls team repeated their State Championship. Under the guidance of Coach Bob Iserman and Mike Lindsey, individuals excelled in events as was exemplified at State competition. For the Girls team Vivian Cole claimed the State Title in Vaulting, and merited third place honors in the all-around scores. Terri Harris claimed the State Title in the uneven parallel bars. For the boys team; Craig Gangwish captured the State Title on both floor-exercise, and vaulting. Kim Harvey took second place honors on floor-exercise, Kervin Sanders merited third place in the all-around scores. Thus ended another successful year for the gymnastics teams.

NONTRADITIONAL JOBS . . .

Times are changing. People are changing. And so are job opportunities. Slowly but surely, the age-old barriers between "men's jobs" and "women's jobs" are coming down throughout the country. Take a long look at these telephone company employees. They're proving that being the right person for a job really depends on the individual, not on his or her sex. We're working to make sex-stereotypes a thing of the past in our business. But we can't reach our goal without people like these, who have had the interest and initiative to break through traditional job barriers. Sound like your kind of thing? If it does, find out today what a nontraditional job could do for you tomorrow at Mountain Bell.
